

Take a Virtual Journey With Us For Cadettes

The Yorktown Girl Scout Service team is offering all Cadettes the opportunity to take a virtual journey via Zoom to earn “Breathe”. Scouts will be guided through a series of activities as they complete the three components of the journey – Aware, Alert and Affirm.

At the conclusion of the virtual journey, each scout will have the knowledge and materials needed to complete her Take Action project. We will start the planning process of the Take Action project, but it will be up to the scout or troop to complete it. Once the Take Action project is completed, the girls can place their journey badge set on their vest.
