

Are you a girl between the ages of 5 and 18 and would like an opportunity to sing in a young women's choir?

**Dotted Half Notes** may be perfect for you!

Besides working on our vocal abilities and ensemble skills, we also perform locally at Nursing Homes and town events.

The Dotted Half Notes practice, refine and grow every year with new members, old members and some returning members. All girls (K-12) are welcome to join. It builds confidence, leadership, cooperation, empathy and joy. The group recently enhanced to include adult women to participate in local performances and Disney.

Singing strengthens healthy self-esteem while making connections between women of all ages. We laugh, we try, we succeed together in spite of our differences. We are truly a diverse group!

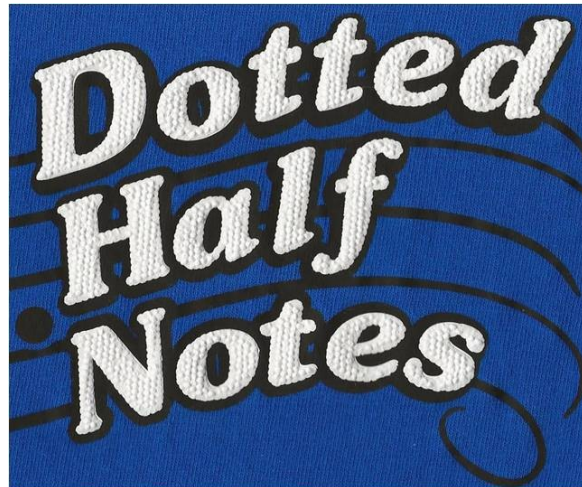

Teresa Peters formed the Dotted Half Notes for her Gold Award in 2010. Emily Peters, as part of her Gold Award, took the Dotted Half Notes Global when they performed in Disney in 2017.

We are still going strong today.

Do you love music? Do you love singing? Do you love performing and bringing joy to people's lives? Do you like making new friends and being part of a group?
